

Climate Controls (pg 576)

April 5, 2016 11:19 AM

Climate - the average temperature and precipitation of an area.

1. What is our climate?
2. How does each of the 6 climate controls create the climate we have?
(why so diff than Tsswassen, Osoyoos,...)

10

| Climate control | Po Co rainy, mild | Tsswassen sunnier | Osoyoos desert |
|--------------------|----------------------|----------------------|-------------------|
| 1 topography | | | |
| 2 nearby water | | | |
| 3 ocean currents | | | |
| 4 altitude | | | |
| 5 latitude | | | |
| 6 prevailing winds | | | |
